DEPARTMENT OF COMPUTER SCIENCE

Highlights

- **35** Years of Academic Excellence
- **52 University Ranks**, including **5 Gold Medals**
- **60%** of Faculty Members hold Doctoral Degrees
- Secured **₹32.26 Lakhs** in Research Funding from UGC, ICSSR, AICTE, and ICSSR-IMPRESS
- Established a state-of-the-art **AI & ML Laboratory** with financial support from **DST-FIST**
- **370+ Research Publications** and **100+ Books** with ISBN
- **100% Internship Opportunities** ensuring hands-on industry exposure
- **Industry-Oriented Curriculum** aligned with current market needs
- Skill Development Certificate Courses with **Industry Certifications**
- Excellent Placement Record with opportunities in leading organizations
- **National-Level Achievements** in the Smart India Hackathon
- Promotes an **Innovative and Experiential Learning Environment**
- MoUs with reputed organizations including IBM, L&T EduTech, HCL GUVI, Rently Software Development Pvt. Ltd., Automation Anywhere, and Easy Design Systems
- Strong **Industry Collaborations** for internships and skill enhancement programs
- **Dr. EBG Awards** for Academic Excellence in Degree Programmes
- Ranked among the **Top 50 (BCA Stream)** in the MDRA India Today Survey
- Ranked among the **Top 100 (Computer Science Stream)** in the MDRA India Today Survey
- Regular interaction with industry experts through **seminars, guest lectures, mentoring sessions, and motivational talks**
- Active **Alumni Network** supporting mentoring, mock interviews, placements, and internships
- **Earn-While-You-Learn** opportunities for students
- Secured **4 Overall Trophies** in intercollegiate co-curricular competitions

Student Achievements in Innovation

- Conferred the **'NAARI SHAKTI' Award** by ISRO and GTU University at Smart India Hackathon 2022
- Won **First Prize with a Cash Award of ₹75,000** at the National-Level Smart India Hackathon 2019 held at Varanasi.

DEPARTMENT OF MICROBIOLOGY

HIGHLIGHTS:

- 31 years of Academic Excellence.
- Runners of Israel-India Global Innovators Hackathon.
- Ms Madhavi. K. Nishol of BSc Microbiology had participated in the Republic Day Parade at New Delhi.
- Winners of Smart India Hackathon.
- Winners of Enviro Solvers Hackathon under the theme "Single-use plastic " organized by Tamil Nadu Pollution Control Board.
- Best Department in Academic Category.
- 79 University ranks secured so far, including 9 gold medals for first rank.
- The Week Hansa Research Survey 2024: Ranked among the Top 100 Science Colleges (60th Rank).
- Open Magazine – Zone Wise Ranking – 31st Rank.
- Well-equipped UG, PG laboratories & Centralized Instrumentation Room.
- Skill-Oriented Training.

- Industry Institute Interactions.
- Embedded Online Courses.
- Internships
- Industrial visits
- Extension activities
- Placements
- Hands on Training & Workshops.
- Guest Lectures & Conferences.
- Vibrant Eco club- Environment Awareness Activities.
- Journal Review Club

Academic Excellence & Rankings – 33 years of excellence with 41 university ranks, 8 gold medals, top rankings by The Times of India (2025), India Today (2025), and Open Magazine (2023), along with Best Department Awards and 100% results in June 2025.

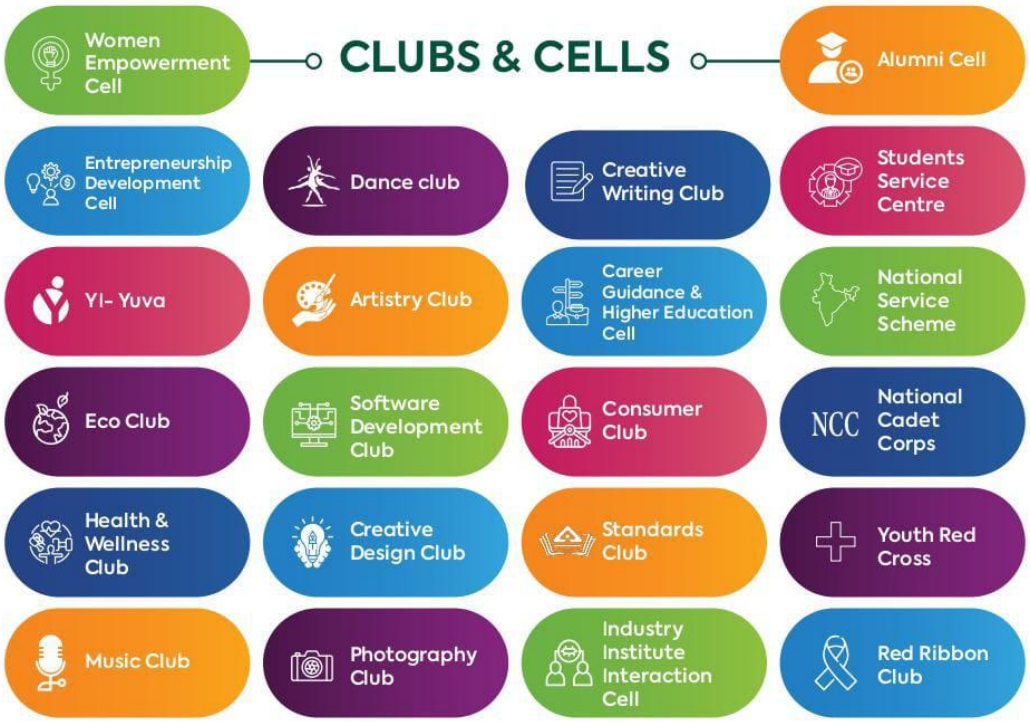
Department of Commerce - Highlights

1. Ranked among Top 100 Colleges in India - India Today MDRA Ranking 2025

2. 80 University Ranks and 9 Gold Medals for First Rank

3. ICSSR Funded project for Rs. 15, 00,000

4. Industry Interaction with leading industries for internships and realtime projects



PLACEMENT SUPPORT & TRAINING

- Systematic and scheduled placement-oriented programmes for Six Semesters.
- Placement skill development through Corporate In-house training, Real-time Project, Interactions and Knowledge-sharing sessions with industry Practitioners, etc.
- Mock interviews by alumni mentors from reputed companies.
- Discipline specific Technical Training aligned with Industry requirements

CAREER READINESS CERTIFICATE PROGRAMMES

- Employability Skill Training
- SAP FICO (Finance & Controlling)
- Smart Marketing in Digital Age
- AI powered Advanced Excel
- Competitive Coding
- Trading in Stock Market
- Building Intelligent Applications: ML Model + AI Interface with Flask
- Robotics & Smart Automation
- Innovative Content Creation for Social Media and Digital Platforms
- Innovative Internet of Things
- Health Care Documentation & Coding
- Comprehensive Training for Bank Examinations
- Comprehensive Training for Service Commission - TNPSC

INFRASTRUCTURE

- Located at the heart of the city
- Computing Facilities & multi-functional Laboratories
- Wi-Fi-enabled Campus
- ICT-enabled Classrooms
- Knowledge Resource Center (Advanced Library & E-Resources)
- State-of-art Seminar Hall & Auditorium
- DST FIST Sponsored Labs
- Sports Facilities (Indoor games court)
- Fully Furnished Hostel with 24x7 security
- College Bus facility

DIRECT II YEAR [LATERAL ENTRY SYSTEM]

Sl. No.	Name of the Courses	Eligibility for Admission
